Sub: Introduction of e-Procurement in FACT Ltd.

Dear Sir,

Wish you a very happy and prosperous new year

We are very much thankful to you for your patronage extended to us during the past years. As you are aware, for bringing in transparency and reforms in public procurement, Government of India mandates that procurements are to be switched over to e-procurement mode in a phased manner. In line with the Government policy, we glad to inform you that FACT has decided change over to e-procurement in a phased manner. With in a short time most of our tenders will be processed only through e-procurement as per Government guidelines.

You may please note that for the tenders under e-procurement, manual submission of bids will not work, but only online bids submitted through the e-procurement system shall be possible for which the bidders are required to have necessary paraphernalia viz, access to online facility, user id and password in the CPP Portal, digital signature etc. FACT has decided to go with e-procurement through the Central Public Procurement Portal maintained by NIC (<http://eprocure.gov.in/eprocure/app>). Kindly note that if you are already using CPP Portal as above for quoting the tenders of any other Government Department or Public Sector Company, the same login id can be used for the tenders floated by FACT as well.

In case you do not have a login id in the CPP Portal, you can enroll yourself and create a login id using the "Online Bidder Enrolment" link in the CPP Portal. **Valid Class II / III Digital Signature Certificate (DSC) in the form of smart card/e-token** in your Company's name is a prerequisite for registration and participating in the bid submission activities through this web site. The web site of the e-procurement portal has user manuals with detailed guidelines on enrollment and participation in the online bidding process. The user manuals can also be downloaded for ready reference.

You are advised to inform us your login id (only id is required, please do not send password) immediately but on or before 01/02/2016. You may send your reply by email to e-procure@factld.com. We once again urge you to obtain the login id in the CPP Portal, if not done already as e-procurement will be implemented immediately, stopping manual tendering for many of the item categories

Thanking you,

Yours truly,

for FACT Ltd, Kochi

Dy. General Manager (Materials)

Note: This is a system generated letter. No signature is required.
